Dear All,

I hope you are keeping well.

I am delighted to announce the launch of SPGL's new Regulatory Consulting & Compliance Division and the appointment of Dr. Layal Lutfi as its new Director.

This new division will be dedicated to providing exceptional GCP, GLP, GcLP, CSC and GVP services, amongst others, to our esteemed clients in the UK, Europe, and MENA region.

With a PhD in Forensic Toxicology, and an impressive 22-year background in GxP Quality Assurance, Dr. Lutfi brings unparalleled expertise to lead this division. Her outstanding track record of delivering successful outcomes will undoubtedly bolster our regulatory consulting and compliance capabilities, further solidifying our commitment to excellence. Layal previously worked for Adamas Consulting as an Executive Principal Consultant managing a portfolio of regulatory audits and consultancy work for Bio-Pharmaceutical companies worldwide.

As the Director, Dr. Lutfi will assume responsibility for overseeing sales, marketing, operations, and overall division management. Her leadership and industry expertise will drive the division's success and ensure seamless service delivery.
